VINTAGES

SAINT PIERRE

 **WHITE WINE**

 **Clairette 75%,
Chardonnay 25%**

*Elegant, fruity,
notes of peach,
apricot and honey.*

Green-gold colour, superb nose, lively and fruity. This is result of the flavourful combination of Chardonnay and Clairette grapes. The latter likes stony, clayey, dry soils and hot weather. The Clairettes of Île Saint-Honorat are more than 50 years old. They produce an elegant wine, with aromas of peach, apricot and honey. The mouthfeel is very full-bodied, fresh and rich, with a lively finish. Combining delicacy and excitement, the Saint Pierre vintage gives a smooth wine with floral aromas. A fine and complex wine.

SAINT HONORAT

 **RED WINE**

 **Syrah**

*Flavourful,
intense,
spiced notes.*

This vintage comes from the Syrah grape like the great Côtes-du-Rhône wines. The colour is intense, deep, verging on violet, with lots of shine. Notes of red and black berries (blackcurrant, blueberry) combine marvellously. It exudes notes of spices, ground black pepper, and a floral hint of violet. The mouthfeel is opulent, rich, not heavy, elegant, delicate and deep. The finish is long, both in the mouth as well as the retro-olfaction. This wine captivates us with its freshness and explosive youthfulness!
